Re: Formal Approval of Form and Amount of Reclamation Surety, SF Phosphates Limited, Co., Vernal Phosphate Mine, M/047/007, Uintah County, Utah

Dear Mr. Ryan:

On April 27, 1994, the Board of Oil, Gas and Mining formally approved the form and amount of reclamation surety (\$2,024,000) for SF Phosphates, Ltd. Co.'s Vernal Phosphate mine in the form of a surety bond issued by United Pacific Insurance #U1441681.

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files. We have not yet received the completed and signed transfer form from Chevron Chemical Company. When we receive this, we will have the Division Director sign the transfer and send you a copy of the completed forms which will formally transfer the Large Mining Operations Notice of Intention from Chevron Chemical to SF Phosphates, Ltd. Company.

Thank you for your time and efforts in helping finalize this permitting process.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
